Dear Prep Parents and Carers,

Welcome to Redlynch State College! You and your child are about to embark on a wonderful journey at a fantastic school, and the Redlynch State College P&C look forward to assisting you along the way.

The P&C is a group of dedicated people working together to build a strong College community. Being a part of the P&C is a great way to get involved in your child's education, while making new friends along the way! We meet twice a term, in weeks 3 and 8, to discuss many things including school policy, to plan community functions such as Mothers' and Fathers' Day stalls, assist with school functions, discuss and implement fundraising and grant opportunities, and receive reports from the Principal and P&C Executive. We encourage you to be a part of the P&C and would love to welcome you in 2027!

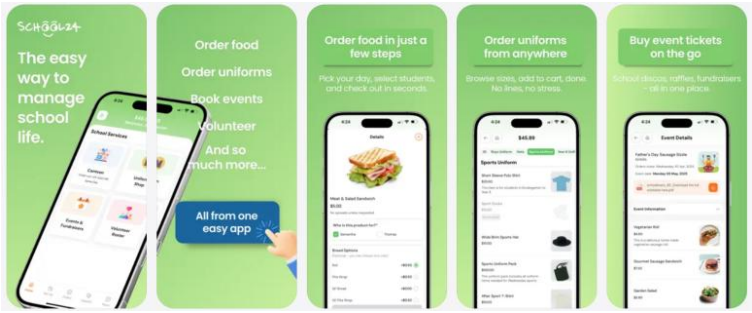
We also look after many of the business units around the school including: the Tuckshop (Primary) and Canteen (Secondary), Outside School Hours Care, Stationery Shop and Uniform Shop. Our aim in running these units is to offer a cost effective, quality and convenient service to all of our community.

With this in mind, we have prepared and attached the Stationery List for Prep 2027. The stationery items are required to be purchased and will last your child for the whole school year. With the prep group, we understand that the first day can be quite daunting and parents and carers should be free to concentrate on the most important issue on the day, which is settling your child into school. To this end, we deliver all stationery items to the classroom in the days prior to the children arriving so that they arrive into a prepared environment, ready to embark on their school journey.

In organising the lists, we choose quality items from a local supplier. The teachers are specific in the brands they would like so that, for example, the white board markers don't dry out if left without lids, and the paper the children are working on is not so thin that it rips, etc.

This year the cost of the pack is $188.71 plus the compulsory RSC Library bag for $15.00, giving a total cost of $203.71. We would encourage you to buy the pack through us so that you ensure quality products while also having one less thing to worry about coming up to the start of the school year.

We have uniforms available for purchase with many of the smaller sizes currently in stock. The Uniform Shop is open until Friday 11th December 2026 then reopens from Monday 18th January 2027 with extended hours to support families in the back-to-school process. Purchasing uniforms and stationery is straight forward. Either stop by the P&C Shop, or purchase online via our School24 app. If you are yet to register for School24, simply download the School24 app and enter the Redlynch State College **code 25533963.**



If you have any questions or would like more information regarding the P&C, please feel free to contact us via email operations@rscpandc.com.au and follow us on Facebook. If you would like to become a P&C member prior to your student starting at the College, you are most welcome to do so. P&C meetings are on Tuesday evenings from 6pm at the Primary Campus Office building in week 3 and 8 of each term.

We look forward to welcoming you to our great College and hope to see you at our P&C events and meetings!

Regards

P&C Executive Team

Redlynch State College P&C Association
