I would like to welcome everyone back to the start of the 2014 school year. It has been a very smooth and positive start to the 2014 school year with 1,821 students enrolled. This number has become relatively stable over the past 12 months as we have enacted the enrolment management plan which prioritises students within the catchment area. By 10.00am on the first day, all students were in class and actively engaged in new learning. At this stage we are only expecting minimal changes to class groupings on both campuses.

At the end of each year the College Leadership Team takes time to carefully reflect on the identified strategies in the College Action Plan and evaluate the school’s performance against set performance indicators. This is a very comprehensive process that culminated in the College Team reporting back to the P&C and the Assistant Regional Director. Once again it was pleasing to see the College moving forward and have some major agendas comprehensively addressed with high quality practices becoming firmly embedded. Tools such as the Teaching and Learning Audit have also provided excellent guidance that will help keep the College moving forward. Areas for further school improvement have been carefully identified and detailed strategies developed, ensuring we remain current and consistent in providing a quality education.

As most of you would agree there is nothing more important than building on our academic strengths and embedding policies, systems and programs that ensure student and teacher capabilities.

- Explicitly teach knowledge and skills from respected, research-based programs.
- Provide opportunities to extend our high achieving students in all aspects of the curriculum.
- Monitor all students’ progress closely and regularly, particularly those who are falling behind.
- Provide immediate, relevant, short-term, intensive and early intervention to students who fall behind. Success in literacy and numeracy takes precedence over other learning.
- Provide continuous coaching and feedback to teachers - all teachers operating as high performers.
- Implement quality control and assure program delivery and standards.

At the start of each year all College staff focus on understanding our school vision of “Learning in our Valley, Thinking beyond the Hills”. Each of these 5 words has a deliberate meaning and forms the basis for all College strategic initiatives. The vision is also supported by our College Philosophy - Relationships, Success, Connections, Equity and Quality (RSCEQ). These 5 words form the foundation of how we conduct ourselves and go about our business. It is important that we continue the promotion of ideals within the school community.

GREAT RESULTS GUARANTEE - Just recently the State announced $131,000,000 extra funding for all Queensland Schools targeted at improving literacy and numeracy results for students. Under this “Great Results Guarantee” initiative our school will receive an additional $297,000 and we need to decide how we can use this money to better support our students and improve their outcomes. We are now working to develop our own Great Results Guarantee with evidence-based strategies and actions to improve literacy and numeracy. Planning has already commenced and an outline of the strategy will be presented at the first P&C meeting of the year for discussion, input and endorsement.

Read more about the guarantee at www.education.qld.gov.au/resultsguarantee.

Phone 24 hours a day to advise the reason why your student will be or was late/absent from school on: 4039 9294

UPCOMING EVENTS

P&C Meeting Tuesday, 18th February in OSCH building on the P-6 campus. 6.30pm for a 7pm start. The Annual General Meeting will be held on Tuesday, 11th March.

7-12 Swimming Carnival, Tuesday 25th February at the Smithfield Pool
Yr 8 Camp, 3rd-5th March for 8A B C D and 5th-7th March for 8E F G.

P-6 Cross Country, Thursday 3rd April

P.O. Box 326, Redlynch, QLD 4870
T: (07) 4039 9222
F: (07) 4039 9200
E: the principals@redlynchsc.eq.edu.au
Website Address: redlynchsc.eq.edu.au
NEWSLETTER 2014 - This year there will be changes to how we provide information to families. The glossy newsletter provides a great opportunity to celebrate individual student and whole College success and will be published on a monthly basis in future. In addition to this a more focused newsletter will be produced that identifies more relevant information for each year level. This will be designed to improve the connection between the students learning and the home. We feel it is important to provide more targeted information that allows teachers, students and parents/guardians to provide maximum support in the student learning process. Research clearly indicates that working together in a 3 way partnership is one of the key ingredients to student success.

High Expectations for Learning have been clearly set for all students at the start of the year. The first month demands a focus on being organized for class and being neatly presented. This requires students to be in full school uniform, all their equipment available, familiarizing themselves with their timetable or classroom routines, arriving to class on time, setting up the student planner and establishing a homework routine. These are all very basic skills, but are vital to students achieving their optimum performance and support from home on these matters is also a necessary ingredient.

ACCIDENT INSURANCE COVER FOR STUDENTS - Some school activities and physical education, particularly contact sports, carry inherent risks of injury. Parents are advised that the Department of Education and Training does not have Student Accident Insurance cover for students. Therefore, if your child is injured at school as a result of an accident or incident, all costs associated with the injury, including medical costs, are the responsibility of the child, parent or caregiver. Some incidental medical costs may be covered by Medicare. If parents have private health insurance, some costs may also be covered through private health insurance. Any other costs would be borne by the parents.

Student Accident Insurance is an insurance policy that pays certain benefits in certain circumstances should your child have an accident. It is a personal decision for parents as to the types and levels of private insurance they arrange to cover their child for any accidental injury that may occur. Parents should contact their insurer or an approved Australian insurance broker if they choose to take out student personal accident insurance cover for their child.

STUDENT LEADERS’ INVESTITURE - Our Student Leaders’ Investiture will be conducted in the Multipurpose Hall on Friday, 21st February at 10.00am. I would like to extend an invitation to all parents/guardians of our Years 4 to 12 students to join us for this celebration.

P&C - I would also like to invite parents to contact the school to share their thoughts on any aspect of our school and encourage them to become members of the P&C. Meetings are held every second Tuesday of the month, commencing with a social chat at 6.30pm with the formal meeting commencing at 7.00pm. Our first P&C meeting for the year will be held on Tuesday, 18th February. Through close and positive relationships between parents, students and staff, we are confident that our school can continue to provide excellent learning opportunities for your child. I look forward to an exciting and rewarding year.

Tony Fuller
Principal

YEAR 8 CAMP
The Year 8 camp will run over 3 days at Barabadeen, Tinaroo.
8A, B, C & D will attend camp from Monday 3rd – Wednesday 5th March.
8E, F & G will attend camp from Wednesday 5th – Friday 7th March.
Notes have gone home with Year 8 Students. Payment and notes are due back to the Payments Office by Wednesday 26th February.
If you have any questions please contact Jane Hurley on 4039 9273.

P-6 NEWS
Dear Parents/Carers,
Welcome back to Redlynch State College everyone and a very special welcome to all our new families. It is pleasing to see that our students are following routines and procedures. They are following the College rules of Respect, Safety and Commitment to learning. I’d like to thank our teachers for the additional hours they have spent to organise their classrooms and the Term 1 curriculum.
Please make sure your children are reading every night. Books from home and home readers are the key. There is also reading available before school in the Well Being Room, located behind the library. I am looking forward to meeting many of you at our parent/teacher evenings next week. One of the key priorities at our College is connecting parents and community with the education of their children.
If you have changed your address details or phone numbers please advise the office so that your child’s records can be updated. It is essential we have up-to-date contact details in case we need to find you in the case of an emergency.
We have a new Meeting Place outside the library in the afternoons. This will be a great place for you to meet other parents and will save you having to go to different classrooms to collect your children-(excluding Prep).

Safety – Please park in the designated areas as outlined in the plan that you see in the flyer sent out from the College. This will ensure the safety of all students.
Well-Being – Please make sure your child has enough sleep, eats a healthy breakfast - the most important meal of the day. Please do not send your child to school if they are ill.
Contacts- Should there be any issues arising concerning your child please contact the teacher as the first point of call. The administration team of Mrs Molloy P-3 Deputy Principal, Mike Bruno 4-6 Deputy Principal and myself Rob Hanlon Associate Principal P-6 Campus are available for additional support. Contact through the office is the best way to reach us. We are more than happy to make an appointment time to meet with you.

As per normal it has been a very wet start to the year. Perhaps we will all have webbed feet before the end of February. I hope that you all have a happy, healthy and successful 2014.
See you at the parent evenings next week.
Yours in education.
Robert Hanlon, Associate Principal P-6 Campus.

EARLY START READING
The Well Being Room is open every morning from 8:15-8:35 am for P-6 children to read. Parent/Grandparent/Carer/Older Sibling volunteers are also very welcome to come and read in a quiet, calm and relaxing atmosphere.
Comfortable cushions and books for all ages are provided, or children can bring their own book or home reader. Come and read!
A rainy start to the school year did not wash away the smiles of all our first timers. The Prep students had a fantastic start with all classes settling in to great day one activities by 9.15 am. Every year these young students seem more equipped and ready for school. This speaks well for the work our local kindergartens and day care centres are doing in their pre-school programs, along with the wonderful work parents do in preparing their child for the first steps in their thirteen year Redlynch State College learning journey. Prep students participated in a range of activities including literacy, numeracy and creative play. They also had opportunities to get hands on with the technology in the classrooms. A big thank you to those parents who attended the Information night last Tuesday to get the full picture of the programs that will be running in our prep classrooms this year. We encourage you to participate in your child’s education and make connections at school, in the classroom and with other parents. The “Meeting Place” is a new initiative where we are asking parents to meet near our library to wait for their child in the afternoon. This encourages independence and allows the teachers to maximise the learning time, as the little ones are easily distracted if they can see mum or dad outside the classroom. Prep parents are encouraged to wait in the “Meeting Place” and then move to collect their child when the bell goes. Our “Early Bird Reading Club” is up and running before school in the well-being room behind the library (just follow the signs). Prep parents are invited to take their child and read with them before school in this fabulous and fun environment. All the books are provided, along with bean bags and fluffy cushions. Reading to and with your child is one of the most valuable ways you can assist your child with school…. and it’s fun.

Mrs Sam Molloy,
Deputy Principal P-3

Photos below and right show the new prep students at their very first school parade

Redlynch State College Behavioural Expectations

School Wide Positive Behaviour Systems (SWPBS) has undergone a name change and will now be known as Positive Behaviour for Learning, or the acronym PB4L. Although the title has changed the behavioural expectations of Redlynch State College still remain the same – Respect, Safety, and Commitment to Learning. Each week the students on the 7-12 campus will receive a behavioural focus for the week based on the school rules for Respect, Safety and Commitment to Learning. These focuses will be addressed daily by the teaching staff and administration. Parents and guardians can also assist in this process by discussing the weekly focus with their child.

Each fortnight two weekly focuses will be promoted in the newsletter. The weekly focus for week 3 and week 4 are as follows:

Week 3 - Being committed to learning and knowing the dates of all assessment due this term.

Week 4 - Respect for the school environment - no litter in the area where you sit.

We are looking forward to a positive year of behaviours. Don’t forget to look out for our Positive Postcards in the mail!

Felicity McLeod
PB4L Communications Officer
Sports Corner

Redlynch State College is a Sun Safe School. Queensland has the highest rate of skin cancer in the world. At Redlynch State College we are committed to providing a sun safe learning environment for your child. Given that students are at school during peak ultraviolet radiation (UVR) times throughout the day, please assist us by ensuring that your child has a school hat and that they take it with them every day to school.

Trinity Coast North & Barron River District Sports

Students have the opportunity to attend TCN (13 years & older) and Barron River (10 to 12 years old) sports trials which are usually after school with the intent of representing the school and themselves at a “higher level”. Students who are successful in gaining selection in the TCN or Barron River Team then attend the PENINSULA TRIALS / CHAMPIONSHIPS on a set day and can be eligible to be selected in the Regional Team. These students then have the opportunity to attend the State Championships in their respective sports.

Redlynch State College

Barron River District Sport (10, 11 & 12 year olds)

Trinity Coast North District Sport (Open or 15 & Under)

Peninsula Sport (Regional Team)

Queensland Schools Championships (State Team)

We encourage all our students to attend these trials and work towards achieving their best in sport. Dates and trials are advertised extensively at school and through the newsletter, morning notices and on the sports notice board at the sports hall (7-12).

CISSA SPORT

Redlynch State College will enter the Cairns Inter-school Sports Competition (CISSA) for the fourth year running. The competition will take place each Wednesday afternoon during school time throughout semester 1 for students in Years 11 & 12. The competition is run on a home and away basis, with 10 local schools involved. This competition provides senior students with many valuable experiences and opportunities for success in a sporting area. We have been involved in many finals over the last three years, a highlight being our soccer teams, each winning their grand final last year. Sports included in the CISSA competition are listed above.

Swimming Carnival

Our annual swimming carnival is on the 25th February at Marlin Coast swimming pool Smithfield. Students from Years 7 to 12 will be taking part in the carnival through competitive and non-competitive races. The theme for this year’s carnival is HAWAIIAN. Students are asked to dress up in Hawaiian theme in their house colours. Information regarding the swimming carnival has been sent home already. Students have the option of catching the bus from the College or meeting us at the pool. Notes and payment need to be returned to the payments window by Wednesday 19th February.

All students that would like to attend any of the above trials MUST see Miss Velonias to collect the relevant paper work and trial information.
P-6 SPORTS NEWS
Welcome to 2014 from the P-6 Sports team. This year Dean O’Mara is teaching Sport Fit on Monday and Thursday, Michelle Thompson is teaching PE on Thursday and Andrew Vearing is teaching PE Monday – Thursday.

Swimming will only be held in Term 4 this year. Prep – Year 3 will still be swimming. Over the past few years the weather in Term 1 has often been wet and miserable making swimming not much fun for the students. The weather in Term 4 is much sunnier and warmer making swimming much more enjoyable. This is only a trial for 2014.

In PE lessons this Term Prep and Year 1 students start off with a Spatial and Movement Awareness unit, then participate in catching and passing skills with large balls. Years 2 and 3 students start with ball control (Basketball) skills then move on to catching and passing skills with large balls. Years 4, 5 and 6 play Basketball, Team Handball and Netball in Term 1. Prep – Year 3 lessons are skill based. Years 4-6 lessons are game based. (game sense) Students are encouraged to wear their sports shirt on PE days. All PE activities are conducted under the Undercover Basketball Court in Term 1.

Year 6 sport will be held on Thursday 1:55pm – 2:55pm. In Term 1 students choose a sport and play that sport for 3 weeks. Weather permitting there will be time for each student to play 3 different sports.

The Redlynch State College P-6 Cross Country will be held on Thursday, 3rd April (last week of Term 1).

In Term 2 all students will be participating in Track & Field lessons. The P-6 Track & Field Carnival will be held on Thursday, 26th June (last week of Term 2). Sports House Captains are being chosen on Thursday, 6th April. Good luck to all students wishing to be a Sports House Captain.

Barron River School Sport is a 12 years and under format. It is only for 11 and 12 year olds and exceptional 10 year olds. Students cannot be turning 13 this year. All Barron River School Sport is conducted outside of school hours. Parents are responsible for taking their children to these trials. Students on the P-6 side see Mr Vearing. Students on the 7-12 side see Miss Velonias. On the P-6 side Barron River trials will be posted on the Specialist staffroom window (bottom end of the music block) and also read out on parade. If you would like more information please come and see me, phone or email avear3@eq.edu.au

Barron River Cricket trials are at the start of the year this Thursday, 13th and 20th February at 3:30pm-5:00pm at Trinity Anglican School (TAS) Kewarra Beach

The school does participate in a number of sports outside of school, but not club competitions. If your child is interested in playing a club sport keep your eyes and ears open as now is the sign-on time for most of the winter sports.

Feel free to come and see me, phone or email if you have any questions in regards to PE and Sport at Redlynch State College.

Andrew Vearing (P-6 PE teacher and Sports Coordinator)

HEALTHY ACTIVE SCHOOL TRAVEL PROGRAM (HAST)
Your school is participating in the HAST program this year with Cairns Regional Council. This program aims to increase the amount of children actively travelling to and from school, walking, cycling, scooting…… Primary school age children need at least 1 hour of physical exercise (and up to several hours) every day, but the latest research from the Australian Health Survey tells us that less than half of children are actually meeting these guidelines. Adults need at least 30 minutes exercise a day, so actively travelling to and from school is a great way to make up some of this time every day. Consider parking a few blocks from the school and walk the rest of the way with your children, this will also reduce traffic congestion at the school gate.

Parents make their own judgement about when their children are ready to walk or cycle without adult supervision, but remember to always model the road rules, stay on footpaths wherever possible and cross at pedestrian crossings and supervised crossings where available. Stop. Look. Listen. and Think. when crossing roads and always be aware of cars coming out of driveways and where cars are on the road.

Sarah Gosling | Active Travel Officer Parks & Leisure Community, Sport & Cultural | Cairns Regional Council
P: 07 4044 3351 | F: 07 4044 3830 | M: 04 5999 9082

 démarches pour la santé de l’enfant et la promotion de l’activité physique à la maison, à l’école et dans le quartier. Il est recommandé de faire au moins 30 minutes d’activité physique chaque jour, en plus de participer à des activités d’activités sportives après l’école. Cela aide à maintenir un poids sain et à prévenir certaines maladies. Les parents peuvent aider leurs enfants à prendre de bonnes habitudes de santé en encourageant l’activité physique et en s’assurant que leurs enfants participent à des activités sportives après l’école. Cela aide également à réduire la congestion du trafic et à promouvoir une culture de la sécurité routière.

AGE GROUPS – under 7’s: Boys and Girls welcome. U9 players must be turning 6 in the year 2014
Your local Junior AFL Club!
ANNUAL GENERAL MEETING OF THE P&C ASSOCIATION

Our Annual General Meeting for 2014 will be held on Tuesday 11th March at 6.30pm in the Community Learning Centre (OSHC) on the Primary Campus.

Nominations for this year’s Executive Committee are to be seconded and forwarded in writing to the P & C Operations Manager, prior to 7th March 2014. They can either be emailed to Janet at rscpandc@gmail.com or posted to PO Box 326, Cairns. Nomination forms can be obtained by emailing the P & C Operations Manager at rscpandc@gmail.com or phoning her on (07) 40399237.

Positions that will be elected at the Annual General Meeting for this year are:

President   Vice President (x2)
Treasurer   Assistant Treasurer
Secretary—Minutes Secretary—Correspondence

You don’t need to become a member of the Executive Committee to join the P & C Association—you can simply come along to meetings and hear what is happening, meet some new people and have a few laughs. We hope to see you there.

REWARD! REWARD! REWARD! REWARD!

For more information, or to register your interest in the program, please visit the BRAVE ONLINE website: www.exp.psy.uq.edu.au/socialanxiety. Alternatively, you can call the BRAVE team on (07) 3735 3312 or Email: brave@psy.uq.edu.au.

For further information, pay a visit to our Facebook page: www.facebook.com/braveforanxiety.

WANTED! WANTED! WANTED! WANTED! WANTED! WANTED! WANTED! WANTED!

Each year Redlynch State College welcomes several groups of international students. Through the EQI Study Tour program we are able to provide a real cultural experience for overseas students wanting to enhance their English Language skills and learn more about our culture. Most of these international visits take place between July and October each year.

Some of these groups participate in Home Stay where they attend school with “Buddies” and stay with families from our school community where they immerse themselves in the Australian way of life. These home stay visits are usually for 4 to 10 days and families receive remuneration to cover the cost of food, laundry etc. Lifelong friendships fostered between students and host families are a lasting testament to the value of this program. We need more families to join the program. If you would like your family to share in this exciting experience, please contact Robyn Schulte rschu47@eq.edu.au or telephone 4039 5307.

Each year the Humanities / Languages department is currently asking for nominations from Years11 and 12 students to take part in the 2014 YMCA Queensland Youth Parliament. The Youth Parliament is the largest apolitical forum for youths aged 15-25 years. It’s a great way for those students who are interested in having a say in their future to get involved in Queensland’s decision making process, meet with their local politicians and propose new laws.

The program is now accredited with the QSA as a Community Based Learning Unit, meaning that any senior students participating in this program will receive credit towards their senior certificate. It is also a great opportunity for our College and community to be represented at this important youth event.

For more information, please visit www.ymcaqyp.org, or contact Mr Smith on 40399222. Nominations close at 5pm, Friday 21st February 2014.

COMMUNITY ANNOUNCEMENTS

FOR FUN FRIENDSHIP AND ADVENTURE

GIRLS BETWEEN THE AGES OF FIVE AND SEVENTEEN CAN
BECOME A GIRL GUIDE. Girls in Guiding achieve goals, improve communities and grow in confidence.

GUIDING IS FOR ADULTS AS WELL - Any woman 18 years and older who is prepared to make the Guide Promise can be an adult member. To begin your adventure contact: Jamie on 04076825 /041968097 Or email coralcoast@guidesqlq.org

Junior Hockey Cairns Hockey Association will be holding their annual Hook in2 Hockey Program and Junior sign on Friday 21st February 2014 at Cairns Hockey grounds Rutherford St North Cairns. Hook in2 Hockey will run from 5.00pm – 8.00pm. For more information and to register for Hookin2 Hockey go to www.cairnshockey.com.au. The junior sign will run from 6.00pm – 8.00pm and all clubs will be in attendance to take registrations. For more information phone 4053 2308 or email info@cairnshockey.com.au

Stratford United Junior Soccer Club Inc are accepting registrations through www.myfootballclub.com.au for the 2014 season. Each player will receive a free bag, water bottle, hat and wristband. Please join us at the club grounds for a Muster on the 28th Feb from 5:30pm. Contact Laura Hobden, Stratford Juniors Secretary Ph: 0407 584 993 for more information.

Aikido Introduction and Sign-on Day - Saturday 22 February 2014 from 1-4pm. All welcome - Adults and children, $15.00 per family (includes Introductory booklet). Venue - western end of Wattle St., Yorkeys Knob (in the Judo Club House). Enquiries: Roby - 0418 750 005 or Patricia - 0406 832 346.’ Shin Shi Toitsu Aikido develops the sense of oneness and calmness; bringing us into harmony with our environment, others and ourselves. Training improves health and fitness and helps flexibility, coordination, concentration, communication skills, compassion and self-esteem.

Vacancies now exist for anyone interested in joining the Cairns Youth Orchestra. There are three different orchestras, all rehearsing on Fridays at the Darts Association Hall, 38 Macnamara Street, Manunda. The vacancies are for all orchestral instruments, especially clarinets and drums. Phone: 4053 2630. Email: kandmduffy@westnet.com.au”

Bernadette Elston, SECRETARY, CAIRNS YOUTH ORCHESTRA

ONLINE SAFETY AND CYBERBULLYING

THIS IS AN EVENT NOT TO BE MISSED – IT WILL CHANGE YOUR THINKING

Delivered by an international keynote speaker on the topic of digital compliance and internet safety. You will be presented with engaging and powerful information in a way that will bring to life possible online dangers and responsibilities which are a part of your child’s digital world. Strategies of protection and prevention will empower you to reduce online risks within your home. You will be amazed how simple this can be.

Where: Redlynch State College Auditorium, Senior Campus
When: April 30, 2014
