KEEPING STUDENTS AS THE KEY FOCUS IN A LARGE ORGANISATION

The core business of the College is ensuring quality teaching and learning practices are occurring at all times and setting the platform so all students can reach their academic potential. From a Principal’s perspective one can be consumed by the everyday operations within an organisation that has 230 staff and close to 1,900 students. I am currently reviewing our systems so as to allow key leaders to spend more time on the ground in classrooms. Routines will be tightened to provide adequate time each week for classroom visits to happen but still maintain the personal touch for access to parents, students and staff. The strategy will also apply to the Head of Campus positions on the Primary and Secondary Campus. This will mean a cultural change for all in how and when we can be accessed. The following are some of the changes you will see in the coming months:

• The Principal and Heads of Campus will not be available for appointments on Monday and Wednesday during class time. This time will be spent visiting classrooms, working with staff and students.
• All appointments and requests of the Principal will be directed through the Executive Assistant, Margie Baldock. These will be addressed on the three office days (Tuesday, Thursday and Friday).
• All appointments for the Head of Primary and Secondary Campus will also be aligned with classroom days and office days.
• The Principal and Heads of Campus personal offices will be reconfigured to reflect an environment conducive to conversation and strategic planning.

We are progressively actioning this and our goal is to have this system embedded by the end of the year.

ANZAC CEREMONY

On Wednesday, 24th April, the College Vice Captains Jacob Nightingale and Ashleigh Clark did a great job as masters of ceremony for the College ANZAC Ceremony and many thanks to Kalo Riley for her coordination.

This event is close to the heart at Redlynch State College as we have a unique arrangement - that is, within the district we have the honour of having the highest number of parents that are currently serving in the Australian Defence Forces as part of our school community.

In my 32 years as a teacher and 13 years as a Principal I have seen an amazing growth in interest by school students across the country in connecting with the significance of ANZAC day. I am so proud of our students and their desire to understand and appreciate the set of values that sit behind such a prominent day. I always maintain that the set of values that you live by should be your most prized possession.

Our College Captains and Vice Captains once again attended the Dawn Service on the Esplanade to lay a wreath on behalf of all the Redlynch School Community and as always we were well represented at the local Stratford Ceremony. I encourage parents to mark next year’s event in your calendar and encourage your children to participate in the Stratford Anzac ceremony march.

Pictured at the Redlynch State College ANZAC Day Ceremony is Mr Tony Fuller, distinguished guests, School Captains and Vice Captains
NAPLAN TESTING

On the 14th, 15th & 16th May, students in Years 3, 5, 7 and 9 will participate in the annual NAPLAN testing program. It is an important time for the students hence the College has incorporated programs throughout the year that not only focus on the foundation skills within literacy and numeracy but also extend student’s learning to achieve at the highest level. The following questions are common ones asked by parents; I have included a response to help parents get an appreciation of the test.

What is NAPLAN?
The National Assessment Program – Literacy and Numeracy (NAPLAN) is an annual national assessment for all students in Years 3, 5, 7, and 9. All students in these year levels are expected to participate in tests in Reading, Writing, Language Conventions (spelling, grammar and punctuation) and Numeracy. All government and non-government education authorities have contributed to the development of NAPLAN materials.

Why do students do NAPLAN tests?
NAPLAN is the measure through which governments, education authorities, schools, teachers and parents can determine whether or not young Australians are meeting important educational outcomes in literacy and numeracy. The tests provide parents and schools with an understanding of how individual students are performing at the time of the tests. They also provide schools, states and territories with information about how education programs are working and which areas need to be prioritised for improvement.

NAPLAN tests are one aspect of the school’s assessment and reporting process, and do not replace the extensive, ongoing assessments made by teachers about each student’s performance.

What will be tested, and how?
NAPLAN tests the sorts of skills that are essential for every child to progress through school and life, such as reading, writing, spelling, grammar and numeracy. The content of each test is informed by the National Statements of Learning for English and Mathematics which underpin state and territory learning frameworks. Questions are multiple-choice or require a short written response. The Writing task requires students to write a persuasive text.

To give you an idea of what the tests look like, sample questions and a sample Writing task can be accessed on the NAP website: www.nap.edu.au

How is NAPLAN performance measured?
NAPLAN is not a pass or fail type test. Individual student performance is shown on a national achievement scale for each test. Each test scale has ten bands and all year levels are reported on the same scale. Six bands are reported for each year level for each test. One of these bands will represent the national minimum standard for students at each year level. A result at the national minimum standard indicates that the student demonstrated the basic literacy and numeracy skills needed to participate fully in that year level. The performance of individual students can be compared to the average performance of all students in Australia.

What happens if my child is absent from school on test days?
Wherever possible, schools will organise for individual students who are absent at the time of testing to complete missed tests at another time during testing week. Individual students are not permitted to sit tests after school and are not permitted to use these devices during class time or when moving between classes. Students who are caught using devices at the wrong time will have them confiscated and only a parent is able to collect them.

Many students complain they are receiving messages from parents when they have devices confiscated. The school break times are 11.15 to 11.50am and 1.05 to 1.45pm. We would appreciate if parents could restrict their requests for messages to the break periods so the learning during the learning time. The PA system is only for emergencies and my staff have instructions to restrict it’s usage to break time only. We will not disrupt learning time to run personal messages.

Tony Fuller

NAPLAN

NAPLAN tests in Literacy & Numeracy for Years 3, 5, 7, & 9 will be conducted in week 5 – Tuesday 14th May, Wednesday 15th May & Thursday 16th May.

Students will participate in Language conventions, Writing, Reading & Numeracy tests. Students who are absent on the day will have an opportunity to complete catch up tests during this week.

I encourage all students to:

• Eat a healthy breakfast – to sustain energy levels
• Be on time to school
• Be prepared – make sure you have a 2B or HB pencil, a rubber, a sharpener and a calculator

COME AND HAVE FUN AT THE UNDER 8’S DAY - 24TH MAY

Redlynch State College will be holding it’s annual Under 8s Day for Prep to Grade 2 students on Friday 24th May from 9-11am. We have loads of fun activities planned including making Fairy Bread, making kites, playdough and treasure hunts. We will also be having some special visits from the Police, Fire Brigade, Ambulance and HMAS Cairns.

All Prep to Grade 2 teachers will be running activity stalls and the children will have a chance to wander around each stall and participate in the different activities. We would invite all parents, grandparents, aunts, uncles, and siblings to come along and spend the morning with their child.

If parents are able to help classroom teachers out with volunteering to help at the stalls for 1/2 hour time slots, please let your child’s teacher know. We are looking forward to see you all for this fantastic morning!!

REDLYNCH STATE COLLEGE TAKES TIME TO REMEMBER

Redlynch State College P-6 Campus library under the expert guidance of Mrs Janet Pommer created a fantastic tribute to remember the ANZAC’s and celebrate their legacy.

Students from the primary campus attended sessions with Mrs Pommer leading up to ANZAC day to discuss the significance of the ANZAC legend and learn about the roles of the brave soldiers who fought for our country. Students engaged with the topic not only contextually but were able to use the information to develop their literacy skills.

The display coincided with the ANZAC day ceremony held at the College on Wednesday 24th of April.

Learning about the significance of ANZAC day is a valuable activity for all students and a fabulous way for students to engage in Australia’s rich heritage.

EXPRESSION OF INTEREST

Redlynch State College
2 temporary AO2 Office Positions

1st Position
4 weeks 27/5/13 to 21/6/13 8.00am to 2.30pm .5 lunch 30hrs per week
4 weeks 8/7/13 to 2/8/13 8.00am to 2.30pm .5 lunch 30hrs per week

Expected Duties include:
Front office Reception on the Primary Campus, support Primary Principal and Deputies, HR BSM, (data entry, typing, filing) Elite training or ability to learn Elite absence system, some first aider
It is an advantage to have a thorough understanding of reception duties in a busy Primary School setting and to have a First Aide Certificate.

2nd Position
3/6/13 - 13/12/13 8.00am to 4.30 .5 lunch 32.25hrs per week

Expected Duties include:
Support Primary Principal and Deputies, HR BSM, (data entry, typing, filing) HR and Finance Receipting.
It is an advantage to have a thorough knowledge of or demonstrate an ability to quickly learn new skills, in house training and support is available.

Interested persons should forward resume to Business Manager Lesley Maykin lmayk2@eq.edu.au more information call 40399210.

Closing date is 3pm 15th May, 2013

FINANCE NEWS

What’s been happening:

• BPAY – Redlynch State College no longer uses BPAY as a preferred method of payment for invoices. If you are currently using this system, could you please make contact with the Payment room via FINANCE@redlynchsc.eq.edu.au to discuss an alternative payment arrangement.

• Payment Window: Open from 8.15 am to 9.30 am and again from 2.30 pm to 3.30 pm Monday to Friday. Students can make payments during first break (11.15 am to 11.50 am).

• Uniform Shop: Open from 8.15 am to 9.30 am Monday to Friday unless otherwise stated.

• Student Resource Scheme: There are still quite a lot of parents who have not completed their Participation Agreement form. This form needs to be completed, regardless of whether you are joining the Student Resource Scheme or NOT. If you do not wish to join, could you please contact Maxine Wienert, Business Services Manager – Finance on 4039 9222 or email FINANCE@redlynchsc.eq.edu.au. If you require further information regarding this Scheme, please do not hesitate to contact us.

• ID Cards: ID cards will only be issued to those students who have returned their SRS Participation Agreement form and paid more than half or full payment of the SRS fees.

• Laptop Hire Payment: We currently have about 60 students who have still not paid for their Term 2 Laptop Hire. The cost is $40.00 per term. Parents please ensure that payment is made at the beginning of each term, before the end of Week 3. If the school does not receive payment, we have no option but to disable your child’s laptop until payment has been received. If you would like further information regarding the Laptop Hire Scheme, please contact Peter Ferry, Laptop Coordinator on email: pmfer0@eq.edu.au

Regards,
Maxine Wienert, Business Services Manager - Finance
P-6 CROSS COUNTRY

Congratulations to all runners who participated in the Redlynch State College Cross Country. All runners earned points for their sports house. A special mention to all those students who got into the sports house spirit and wore their sports shirt, coloured their hair, and painted their faces. Thanks to everyone for coming along to watch, cheer and encourage our champion runners. It was a fantastic day and everyone should be proud of their effort. Thanks to the teaching staff for training the students and for their help on the day.

AGE CHAMPIONS
6 years boys: 1st Joshua, 2nd Oscar, 3rd Flynn.
6 years girls: 1st Cleo, 2nd Azura, 3rd Lia.
7 years boys: 1st Ashley, 2nd Seth, 3rd Jayce.
7 years girls: 1st Stella, 2nd Danielle, 3rd Shaella.
8 years girls: 1st Emma, 2nd Chelsea, 3rd Chisa.
9 years boys: 1st Flynn, 2nd Billy, 3rd Joshua.
9 years girls: 1st Jessica, 2nd Kamilla, 3rd Renee.
10 years boys: 1st Harry, 2nd Aiden, 3rd Ethan.
10 years girls: 1st Tianna, 2nd Shaye, 3rd Soleil.
11 years boys: 1st Jake, 2nd Kaden, 3rd Ben.
11 years girls: 1st Jacinta, 2nd Emma, 3rd Tiana.
12 years boys: 1st Lachie, 2nd Ben, 3rd Justine.
12 years girls: 1st Maddison, 2nd Harmony, 3rd Emma.

OVERALL POINTS TALLY
Torrents was the Champion house for 2013 with 372 points, Rapids 2nd, 364 points, Cascades 3rd, 316 points, Falls 4th, 260 points.
The top 4 runners in the 10, 11 and 12 years age groups. (12 years students had to compete with other 12 year old students in the Senior Cross Country to be eligible for selection) were selected in the Redlynch State College team which competed at the Barron River Cross Country Carnival at St Andrews on May 3rd.

OTHER P-6 SPORT NEWS

BARRON RIVER CROSS COUNTRY
Congratulations to all Redlynch State College students who participated in the Barron River Cross Country on Friday May 3rd at St Andrews. All students did their best and should be proud of their effort. Redlynch finished 3rd overall. Holy Cross was the Champion school for 2013.
Well done to Harry 2nd, Aiden 3rd, (10 years boys) Connor 1st (12 years boys) and Chantelle 1st (12 years girls) for being selected in the Barron River team to compete in the Peninsula Championships at Mareeba on May 24th.

NETBALL SEASON STARTING NOW AT REDLYNCH SPORTS STADIUM!!
The new Netball Season is starting now, so get your team nomination in or get your family and friends together or come on your own and we will put you into a team. The sign on dates for Netball are 14th, 15th & 16th May 9am to 7pm. Juniors will play on Wednesday afternoons and Seniors will play on Tuesday and Thursday evenings.
The new Net Ready Netball clinics are also starting now. These are clinics designed to introduce Netball to both Girls and Boys aged 5 to 8 years of age in a safe, fun and friendly atmosphere with lots of encouragement.
Come in anytime to Redlynch Central Sports Stadium during Mon to Fri 9am to 6pm to get more information, or call Sandra on 4039 4378 or email sandra@rcss.com.au; www.redlynchcentralsports.com.au

BARRON RIVER SPORT TRIALS
Tennis. Wednesday May 15th at Redlynch Tennis Club Rocks Road Redlynch 3:30 -4:30.

REDLYNCH STATE COLLEGE P-6 TRACK & FIELD CARNIVAL IS ON THURSDAY, 20TH JUNE (LAST WEEK OF TERM 2)
GOLD COAST SUNS CUP AFL COMPETITION
Congratulations to all boys who played in the Redlynch State College AFL team in the Gold Coast Suns Cup competition.
We played 3 games and won 1 and lost 2. All boys showed excellent skills, terrific teamwork and had lots of fun.
Thanks to parents for getting the boys to the game and watching and cheering them on.

REDLYNCH STATE COLLEGE P & C ASSOCIATION
TRIVIA NIGHT 2013
The P & C Association held their Annual Trivia Night on Saturday, 27th April, which was once again sponsored by Wedrat Chartered Accountants.
It was a great night full of lots of laughs and entertainment, and a fantastic fundraiser for us. We raised just over $1600.00 on the night, so thanks to all our sponsors and to those who came along and supported us.
The winners on the night were the Citizens of Gothic City (our Tuckshop ladies Karen and Vicki were part of the team!), and they narrowly beat out the second placed team by one point. For the first time ever, we had a three way tie for the losing table!!! The “winners of the losers” was SNAPP, a table made up of parents and teacher aides from the school—well done!
We also drew our Monster Raffle on the night and the lucky winners have been notified—I was fortunate to win third prize, so thanks to Camelot Camper Trailer Hire for that!! Thanks to everyone, especially Jenni Hall, who worked so hard putting all the questions and games together, and to Maurice, our MC. We are going to be running another Trivia Night at the end of the year—our CHRISTMAS TRIVIA NIGHT!! Book your table and come along and celebrate the end of the year with us—more details to follow soon!

Pictured is the Redlynch State College AFL team
Term 1 proved to be a busy time for Visual Art students, in particular the Senior Art students, who have been busy attending workshops, viewing artworks and producing experimental pieces. Two Year 12 art students, Emma and Josslin attended an “Artists swap card” intaglio workshop with Elizabeth Hunter at Djumbunji Press on Greenslopes street. The students participated in a full day workshop focusing on intaglio printmaking, in particular etching, using a number of techniques to enhance and further develop their skill and understanding of printmaking. The students worked with printmaker, Elizabeth Hunter and members of the Cairns community to create prints which transformed from a simple line print to more technical depictions using white ground and aqua tints. In fact the day was so full and busy the workshop was extended to another weekend so each participant could complete their prints and swap cards with each other.

The Year 12 Visual Art class and selected students from Year 11 Visual Art also participated in a mix media workshop with local artist, Julie Poulsen. Focusing on creating layers in art works, the students used traditional drawing and water soluble media to portray their chosen subject matter. Following Julie Poulsen’s process the students printed their drawn images using silk screens and impasto to produce intense and dramatic effects. The students thoroughly enjoyed themselves and the experience of working with a professional artist. Many thanks must go to Julie Poulsen for providing such an educational and enjoyable workshop.

It is that time of the year when the teachers and students of Visual Art are busy selecting and creating art works to enter in the annual Cairns Show art competition. One section of the competition will predominantly feature the artworks of Year 8 art presenting indigenous paintings, mixed lino and screen prints as well as their assemblage sculptures of mythical creatures.

Year 12 VAS (Visual Art Studies) have been busy in the studio studying Non-Permanent Body Art and creating designs for young children as well as adults. Year 12 VAS recently put their craft into practice and painted the faces of Prep C. Excited and nervous the Year 12’s walked into the class and realised just how small the preppies are and how they love to move! However, Prep C were wonderful models and sat as still as statues and listened carefully to the instructions of the Year 12’s. As you will see in the photos the face paintings were fantastic, and both Year 12 VAS and Prep C enjoyed themselves immensely!

Mrs Felicity McLeod

**PRACTICAL ARTS**

Parent information session - Anxiety in adolescents

Tuesday, 28th May

6-8pm - Senior Campus Library

Presenters: Brian Dowling (Advisory Teacher Behaviour) and Jane Bolton-Bound (Psychologist) from the Flexible Learning Centre, Education Queensland.

The workshop will cover

* generalized anxiety and how it may manifest itself in young people’s behaviour
* symptoms which young people might display which would help a parent to identify that their child might be anxious rather than badly behaved
* a very brief overview of the types of anxiety disorders generally experienced by young people
* common triggers (incl exams, breakdown of social network, peer group issues etc)
* steps a parent can take if they suspect their child is suffering from anxiety - when to get help and who they can contact for support
* tips for parents for strategies they can use to support their child if not at a point where they need outside help

For further information please contact Carola Schemmann, School Based Youth Health Nurse on 0427009887 or csche58@eq.edu.au
The Bike Bus is a group of people who cycle to school together. It is called a bus because there is a set route and timetable so it can pick up passengers along the way. Cycling is a quick, fun way to get to school while keeping fit and healthy. It also teaches students about road safety.

The bike bus is supported by Cairns Regional Council and Transport and Main Roads. There are 5 schools in Cairns that participate in Bike bus. The basic concept of a bike bus is for students to ride to and from school under the supervision of Redlynch State College staff and parents. The Bike bus follows a route that meets the needs of the children and has been approved by Council and the College. Redlynch is very fortunate in that the route travels along the footpaths. In 2012 nine Bike bus sign posts were erected along the route. Students wait at the signs and are picked up along the way.

The Redlynch State College bike bus operates every Wednesday in Terms 2, 3 and 4. (weather permitting)

**MORNING:**

**Route 1** departs RSC bike racks at 7:40am and rides down Michaelangelo Dve, along Intake Rd, past Woolworths and finishes at the Skate Park behind the Red Beret Hotel at 8:00am.

**Route 2** departs from Loridan Park Reserve Brinsmead at 7:45am and travels along the bike path to the Skate Park arriving at 8:00am.

All Bike bus passengers then cycle along Route 1 back to school arriving around 8:30am.

**AFTERNOON:**

Students leave from the bike rack around 3:05pm and ride inside the school fence, along Intake Road, past Woolworths and arrive at the Skate Park around 3:30. Brinsmead students follow Route 2 and arrive at Loridan Park around 3:45pm.

In 2012 the RSC bike bus gained some serious momentum. For the first 3 years there was an average of 5 students participating in Bike Bus. In 2012 RSC became a ‘Travel Smart’ School and received $5000 in funding. All students who participated in Bike Bus received a Travel Smart backpack, a healthy tuckshop voucher for each student who participated in Bike Bus, a bicycle safety checks, maintenance workshops, bicycle set up, learn to ride, loose your trainer wheels & free refreshments until 11.30am

Please note: Helmets must be worn and all children under 12 years need to ride with a parent/carer. For more information and advice contact Councils Active Travel Officer on 0459 999 082

**Free bicycle event – Sunday 12th May**

Meet at Lake Placid car park, end of Lake Placid Rd at 8.30am. Ride starts at 9am sharp.

Ride 1 – 14km will travel off road to Tjapukai Aboriginal Cultural Park, turning and coming back to Freshwater along Lower Freshwater Rd, before returning to Lake Placid.

Ride 2 – 9km will travel from Lake Placid, over the Barron River at the old crossing and along the new bike path under the Kamerunga Bridge to the turnaround point at Freshwater railway station. Travel back to Lake Placid.

Both rides are flat and on paths. The on-road section, Lower Freshwater Rd, will be closed to traffic for the ride. Parents with younger children can safely turn back if route 2 is too long. After the rides there will be bicycle safety checks, maintenance workshops, bicycle set up, learn to ride, loose your trainer wheels & free refreshments until 11.30am

Please help us find our son’s bike (which was stolen from our carport in Brinsmead early Sunday morning). It is a $750 brand new Black Mongoose Fireball Mens Bike and may still have the clear/cream bike chain lock wrapped around the frame. I can be contacted (Ann) on 0407964737.
