Principal’s Notebook

Last Sunday, 18th August, Redlynch State College was proud to farewell the visiting Japanese students and teachers from Chuo City. This visit provided our school an opportunity to showcase Redlynch State College and a great opportunity for the visiting Japanese students to improve their language skills. Thanks must go to our student buddies and the Redlynch families who hosted the Japanese students in their homes.

On 24th August, our College Captain, had the honour of carrying the Australian flag as part of a trio of students leading the Cairns Festival procession. A number of Redlynch State College students also marched as part of the Redlynch Indigenous Leaders of Tomorrow (ILT) group. A more detailed report is to be found a little later in this newsletter, however, I would particularly like to thank teacher Rod Peckham for his efforts working with Indigenous students and programs at this College.

It has been brought to my attention that some students are endangering themselves and others by crossing the road in front of buses after they have been dropped off. Students need to understand that their lack of vision and the potential to be hit by another car increases significantly if they continue this practice. The bus company has informed me that they see the actions of some students as an accident waiting to happen. If your child catches a bus can I ask that you talk to them about being safe around buses and traffic.

The Department of Transport and Main Roads will be arranging the installation of flashing light 40km/h school zone signs at Redlynch State College. These works will take place at both Jungara Road near the Redlynch Intake Road intersection and near the roundabout where Jungara Road meets Giauca Steet at the “top” of the College.

School safety initiatives require all split-campus schools in Queensland to have flashing light 40km/h school zone signs operating on all school days from 7am to 4pm. The new signs will incorporate a flashing red annulus and twin alternate flashing yellow lights mounted above the ‘school zone’ plate that flash during the operation of a school zone. These signs are intended to draw motorists’ attention to the operation of the school zone. Work will start on this project before the end of August.

Congratulations to the College’s Opti-minds teams who had great success at the recent Cairns district regional finals, winning 3 of the finals. On Sunday, 25th August at the JCU Open Day 52 schools from Innisfail to Weipa competed in the finals. We entered 4 teams all up; 1 primary school team, 2 teams in the junior secondary Science Engineering division, and one team in the senior secondary Social Sciences division.

Winners:

Senior Social Sciences Team: Kian, Liam, Tayla, Braden, Amy. They beat St Monica’s to win their division with a very creative, humorous performance, which one of the judges said was the best they had seen in 10 years of competitions.

Junior Science Engineering Team 1: Carina, Cassie, Rebecca, Emuna, Tayne, Amanda, Jason.

Social Sciences Division 1 was won by Team Paranormal Minds - Enoler, Emma, Clare, Sophie, Teeya, Jaymie and Ella.

WELL DONE TO ALL OUR TEAMS WHO COMPETED

BOOK WEEK 2013

Over the last two weeks we have been celebrating Book Week 2013 in the P-6 Library. The theme for Book Week was ‘Read Across the Universe’. Students from Prep to Year 6 have read titles from the Shortlisted books from the 4 sections of the competition. Each student during their class visits has voted for the book they think will win a particular category.

The winners are:

The Terrible Suitcase – Tynan 1C

Picture Book Section:
The Coat – Ritz 3C

Younger Reader:
The Children of the King – Camdyn 4B

FAMILY FESTIVAL 2013 - Eight weeks to go now until our fabulous Family Festival on Saturday, 19th October. Your children should all have brought home a newsletter last week outlining what is happening with the Festival. If you did not receive a copy, please email me and I’ll send you one through (rscpandc@gmail.com).

Next week we will have our Donation Booklets ready to go out to families and these will give you the important dates to remember leading up to the Festival.

Last week we had our Year 5 classes help with some planting of new cuttings and tidying up our greenhouse under the wonderful guidance of Susan Tureia who has once again taken on the role of Co-ordinator of our Plant Stall. The children all had a wonderful time and did a fantastic job! The free ice blocks at the end of the session might have had something to do with that!

Please continue to return your Happy to Help forms if you are keen to be a part of our amazing Family Festival—every little bit helps and we really appreciate those who help us out with their time. Once our collection days start happening, we will have some wrapping and sorting to do, so please let me know if you can help.

More information will be sent home soon—keep an eye out for it in your child’s bag!

HAY BALES NEEDED! - We will be needing some hay bales to line the road at our Family Festival while our Billy Cart Races are on during the morning. If you have some or know of someone that can donate some to help us out, please give Janet a call on (07)40399237. Thank You!

WORKPLACE HEALTH AND SAFETY OFFICER URGENTLY NEEDED - In order for our Billy Cart Races to proceed, we need a qualified Workplace Health and Safety Officer to conduct a Risk Assessment Plan for us. If you are qualified, or know of someone who is, please have them contact Janet McIntyre, P & C Operations Manager, on (07)40399237 or by email at rscpandc@gmail.com.

TUCKSHOP VOLUNTEERS DINNER

Last Friday night, the wonderful ladies in the P6 Tuckshop went out for dinner with all their volunteers to thank them for giving up their time to help us out each week. We had a lovely evening at Mondo’s Restaurant, but unfortunately the photos that were taken didn’t work out because we were sitting outside in the dark!

If you have a spare hour or so and would like to meet some new people and have a few laughs, then please think about volunteering in the Tuckshop or Canteen—the ladies would really appreciate it as they are incredibly busy every day now providing lunches for all the children on both campuses.

Enviroweek started off with great excitement. Six members of the Environment Club were awarded on Parade with an Enviroweek Badge made out of recycled ring pulls from cans. These fabulous WASTE WARRIORS were Jacinta, Dana, Kahn, George, Janaya and Isabella. Almost 5000 pieces of litter were collected in total by these students.

To encourage all our students to be WASTE WARRIORS this week, the members of the Environment Club will be giving out stickers, posters and book marks to students who are helping eradicate waste at Redlynch State College.

OTAKANOMORI...OH WHAT FUN! - On Thursday, 18th July, Otakanomori High School arrived from Nagareyama city, Japan for a 12 day homestay visit. Led by Mr Ebihara and Mr Kataoka, the 24 strong student group wasted no time in getting from the airport to the College where they were welcomed by 24 very excited Redlynch buddies. After the initial shyness and apprehension, the buddies were soon the best of friends, laughing, taking photos and sharing Facebook information. During their 12 day stay the Otakanomori students had the chance to experience life as a Redlynch College student through attending regular lessons, hanging out with their buddies during breaks, and participating in a dynamic Australian English program run by Ms Fay Guglielmana and Mrs Beth Pearson. They were also treated to an Aboriginal Culture and Art lesson by Mr Rod Peckham, a traditional dance presentation by our Redlynch College Aboriginal and Islander Dancers, and an Aussie meat pie cooking lesson with Mrs Jan Wedmaier – possibly the impetus for the next great food fad in Japan!

Of course, the success of this visit could not have happened without the wonderful Redlynch host families and the experiences they provided. The visiting group loved exploring Cairns and its surrounds; from the beaches to Port Douglas and Kuranda, the Great Barrier Reef and the Night Markets, to trying vegemite for the first time, the students had a ball, and I’m sure returned home with many treasured memories.

As the Otakanomori group gathered to depart on Tuesday, 30th July, many a hug was given and a tear shed. Redlynch College will again visit Nagareyama Otakanomori High School during next year’s Japan Trip and I’m sure many of our buddies would love to be there. A huge ‘thank you’ to all involved in making this such a successful visit.

We’re always looking for new families to be a part of these unique and exciting home stay experiences. Please contact Robyn Schulte at the office on the Secondary Campus, or Nick Smith in Jungara Staffroom for further information.
On Friday, 12th July, Year 11 and 12 Redlynch State College students participated in Senior Dance Day 2013, held at Cairns State High School. Many dance students from different schools around Cairns came together to show each other their dance pieces that they have been working on. We took part in four different sections throughout the day. Firstly, we got the opportunity to take an acrobatic class which opened our eyes to the different and unique movements we are able to incorporate into dance. This part was my personal favourite as it challenged me and pushed me to my limits. The next part was the performance from each school. We stood up before everyone else and shared our dance. For myself and many other students, this took a lot of courage and the sense of achievement after our performance was absolutely amazing. I believe it was a massive confidence boost for my self-esteem. We then went to COCA and watched a professional performance of Don’ts For Dancers performed by Nerida Matthaei’s contemporary dance company Phluxus2 Dance Collective. Back at Cairns High in the afternoon, we were privileged be able to take a class led by Nerida, who had just performed in the show. The day overall was a massive success. It was a lot of fun and was definitely an eye opener to the different styles and how there is no limit to dance. It was incredible to spend the day with a different bunch of students who have never met but all share the same passion. A massive thank you to everyone who was involved and a special thank you to our very own teacher Ms Parker who always surprises us with these amazing days and encourages us to do our best. I and the rest of us girls from Redlynch State College thoroughly enjoyed this day and can’t wait till next year!

Term 3 has been very busy in the English Department with many great things happening in all year levels. Year 7 students have studied the novel Red Dog. Pat Testing has been conducted in Years 7-9, and NAPLAN preparation is being taught in Year 8 to help the students prepare for next year. Year 9 students have been experimenting in script writing after reading 12 Angry Men. The Year 10’s have been delving into Shakespeare by reading Romeo and Juliet, re-writing the play into a modern short story and comparing film adaptations of the play. The extension classes further developed their ideas by performing a version of their modern script. The Shake and Stir Theatre Company will be performing a version of Romeo and Juliet on Thursday, 29th August to those students who returned their permission slips. Year 11 English students are currently creating short stories around a symbolic red scarf and, as such, have been completing creative writing activities to extend their narrative writing skills. Year 11 ECM students have been studying a novel The Damage Done by Warren Fellows and will be completing an exam very shortly. Year 12 ECM students are also completing a novel study and both Ms Pitt and Mr Forgie are extremely proud of their progress. Finally, all Year 12 English students have completed an exam on Shakespeare this term. They are now onto their second last piece for English EVER! This is a multi-modal presentation looking at how a Shakespearean play has been adapted to a modern setting in a film. As a department, we would like to wish our Year 12 students well in the next busy few weeks. Hang in there guys, you are almost there! Contributions to the Year Book are being called for. Short pieces of work may be published if any student would like to contribute. Please pass work onto your English teacher or Ms Pyers in the Jungara staffroom.
