**BEACON CHARTER SIGNING**

Two weeks ago all the Year 10 students participated in the BEACON Charter Signing event. This is a special event that commits all students, the business community and the school to helping students reach their potential by positioning themselves to successfully transition to work, training, higher education or an alternative pathway for special education students.

This event is designed to lay a sound foundation for our Year 10 students to enter the world of senior schooling. I must acknowledge the fantastic work that Luke Forgie (BEACON Co-ordinator) and the student Ambassadors have put into developing this outstanding program. Luke’s level of commitment and drive to support and encourage our Year 10 students to reach their potential and aspire to worthwhile careers has been just amazing. As the College’s Pathways Co-ordinator Luke’s services are available to assist any senior schooling student in their desire to pursue a particular career pathway.

**PAYMENT OF RESOURCE HIRE SCHEME FEES**

The secondary campus resource hire scheme allows the College to provide innovative and inspiring programs for our students. There are 2 main components:

- Textbooks and general resources
- Elective subject costs

Considering the frightening costs of textbook (range between $50 and $100), the scheme plays an important role in reducing costs for each secondary student that participates in the scheme. With each of the elective subjects, Heads of Department carefully cost the course to reflect expected expenditure throughout the year. To allow families to plan their finances we fully support negotiated payment plans that meet the family budget and I thank those families that have initiated and completed their payment plan. Unfortunately, this year there is still a significant debt to the school particularly within the elective subject fees. This current debt is quite significant and will have impact on 2014 curriculum budgets.

In order that the College can manage the resources hire scheme budget effectively in 2014, the library will not hand out textbooks to individual students until individual families have established a payment plan. I encourage all families to clear their current debts or at least commence a plan of action to make sure textbooks can be accessed at the beginning of Term 1 2014. Please give the finance section of the office a call if you wish to confirm your current financial status.

**YEAR 12 GRADUATION AND FORMAL**

Last Friday our Year 12 students attended the College for the very last time. The week’s activities were certainly full-on with a graduation, formal and end of schooling activities. As this newsletter was compiled before the celebrations we will dedicate the next newsletter to featuring our wonderful Year 12 students and their departure to the adult world of work, study or training.

Mr Tony Fuller,
College Principal

Redlynch State College Remembers...

REMEMBRANCE DAY CEREMONY

As is tradition at Redlynch State College, all students attend a ceremony at school which is held at a special site beside the lone pine tree and remembrance plaque located at the edge of the primary campus oval. As MC’s both Kilian and Enoler very capably conducted the ceremony which included a very moving story from our guest speaker HMAS Cairns Chief Petty Officer Ian Bradley. It made us proud to see many of the classes lay a handmade wreath around this very special lone pine tree. I believe it is so important that all our students learn to appreciate and remember all the exceptional men and women who do extraordinary things - our soldiers past and present, the reluctant heroes and role models that keep our country safe. I would like to once again thank Kalo Riley for her excellent co-ordination of this special event.

Mr Tony Fuller, College Principal

(L-R) Tony Fuller, Chief Petty Officer Ian Bradley HMAS Cairns, students and cadets at the Remembrance Day Ceremony

THE 2013 BEACON CHARTER SIGNING EVENT - Redlynch State College is into its fourth year partnership with the Foundation. The objective of this partnership is to ensure that all students pursue further education, training or employment upon leaving school. The program also provides avenues for business, community organisations and the college to build partnerships and work together to improve employment outcomes for our youth. Congratulations to all our Ambassadors this year who have represented Redlynch State College at Business & Industry events.

Jacob Imogen Jaidyn Mikaila Jasmine Julia Jason Cassie Carina Breia Alice Chelsea Lucy-Jane Mitchell

Mr Luke Forgie, Pathways Co-ordinator

Notifying the College of Absences/Late Arrivals

Under the Education Act 2006 there is a legal requirement for every student enrolled at school to attend on each day that instruction is provided. If a student is unable to attend on any day or part day, the parent or guardian is required to provide an explanation within two (2) days. This can be done by:

1. Phoning the dedicated College absence line 4039 9294. This facility is available 24/7.
2. Sending a note to Student Services (not the teacher) advising the name and class of the student, the reason for the absence, and the date/s of the absence.
3. In person - seeing the Student Services personnel (not the teacher).
4. SMS – wait until you receive a text message from the College. Send your answer using the ‘reply’ option on your phone. The reply is automatically recorded against the student for whom the text was sent, for that absence, for that day. There are no other options available for SMS.

LATE ARRIVAL

Any student not present for form class roll marking MUST report to Student Services for a late slip before proceeding to class. Failure to do so means they will be marked absent for the day.

AN AUSTRALIAN RITUALISED DAY IS SPREAD TO A NEW GENERATION, WRITES JASON, YR 10

On the 11th November each year people celebrate Remembrance Day nationally, a sombre occasion for all. Soldiers, children, families; all of those who are affected by war share their respect for the Australian military. All those men and women serving the nation both past and present, the phrase is echoed through time “lest we forget”.

Each year at exactly 11am Redlynch State College shares in the occasion with many other schools around the country. People hold a minute of silence to remember the fallen and the living who risk their lives for our safety and the power of our homeland. Remembrance Day gives all Australians a sense of belonging, a sense of freedom and a sense of security. The thought of a brother, a sister, a mother, a father, or any relative sacrificing their lives for the safety of those they care for is powerful - a modern requiem for the protectors.

War is a natural part of human life. As children we played with water guns shooting each other, as adults we play paintball. We get into fights, we resolve issues; it’s the way we are programmed as inhabitants of this planet. This is why it is important that the students of schools realise that people do die and fight for them, death and war are serious and very different to playing Cowboys and Indians in their backyard.

The students at Redlynch State College accept Remembrance Day and understand its importance. One of the star music pupils at the school performed ‘The Last Post’ perfectly. Multiple guest speakers addressed the students, pouring their hearts into their speeches, resulting in a heartfelt and respectful event.

Over the battlefields of the western front during World War I Red Poppies grew after the war, they are now the symbol for remembrance day. Common soldiers’ folklore is that the Poppy springs on the battlefield from the blood of the fallen.

2013 BEACON Ambassadors at Charter Signing

2013 BEACON CHARter SiginG evEnt - Redlynch State College is into its fourth year partnership with the Foundation. The objective of this partnership is to ensure that all students pursue further education, training or employment upon leaving school. The program also provides avenues for business, community organisations and the college to build partnerships and work together to improve employment outcomes for our youth. Congratulations to all our Ambassadors this year who have represented Redlynch State College at Business & Industry events.

Competition Results are Back!

Congratulations to around 80 students from Year 7 – 11 who participated in this year’s Australian Mathematics Competition and the ICAS Maths Test – Well Done! Students will be presented with certificates over the next few weeks on Year Level Parades. (Note the Year 12’s did not sit the AMC as it was at the same time as the QCS Mighty Minds.)

17” (43 cm) Flat Screen Monitors for Sale $10 each

Details
- out of warranty, flat screen monitors in working condition
- power cord and VGA cord supplied

Uses
- connect to student laptops with a standard VGA cord or with an adaptor for the Acer Iconia tablets. (Students with tablets will need to purchase the adaptor)
- 2nd or backup monitor for any computer/laptop with a spare VGA port.

Caution
Desktops may not support a second monitor even if they have two VGA ports. If your computer has an add on graphics card and motherboard graphics card maybe only one will work at a time. It is your responsibility to check and setup your system/laptop.

Inspection
Students can see Mrs Harriss in the library to inspect the monitors.
Parents and others please ring Mrs Harriss on 0410225 373 or email jharr179@eq.edu.au to arrange a suitable time.

Purchase
After you have seen Mrs Harriss make your payment at the payments window and bring receipt to Mrs Harriss.
YEAR 12 VISUAL ART
VAS EXCURSION TO
TATTOO SHOP – STUDIO 13

As part of their course the Year 12 Visual Art Studies students have been studying the theme of Body Art. The students have already completed the Non-Permanent Body Art component of the unit whereby they undertook research and practical activities concerning Face Painting. This term the Body Art unit theme continues and they have been exploring Permanent Body Art, in particular the designs and artwork of Tattoo artists. They have focused specifically on the art styles of tattoo art and the role of a tattoo artist as an artist/designer as well the history of tattoo artistry, the social and cultural role of tattoo art and the laws regulating Tattoo art and its application to clients. Queensland Health and City Council regulations, workplace requirements such as hygiene and workplace practices, qualifications and employment opportunities have also been addressed.

To have an understanding of the art form and practice the Year 12 VAS class was invited to attend a workshop with two highly qualified and talented tattoo artists, Peter and Ray from ‘Studio 13’, 62 Shields Street. We were all in awe of the brand new store which is industrial in style and features artworks from local and interstate artists. The tattoo artists discussed all aspects of tattooing from the various styles to the health and safety aspects of the profession whilst answering the students’ questions. Not only did they show their artistic skill in design and tattooing, they also provided a comprehensive overview of the history of tattooing and real aspects of the business. Although the students were a little nervous about showing their class work / tattoo designs, Peter and Ray workshopped ideas with them helping to improve the standard of their work. We want to extend a huge thank you to Peter and Ray for giving up their time and allowing our students to workshop in their space, it was a positive and enriching experience.

Mrs F. McLeod, Practical Arts HOD

ABORIGINAL AND ISLANDER MURALS
AND INDIGENOUS DANCING AT SPORT NIGHT

During NAIDOC week the Redlynch State College students from the junior and senior campuses painted two indigenous murals. This project took several weeks to complete and many students spent all their lunch breaks painting, sponging and dotting the Rainbow Serpent and Water Dreaming murals. The murals symbolise the simplicity of life in a continually changing environment.

As a gift to the Principal, Tony Fuller, from the student body, the Water Dreaming mural was presented to him at a recent school parade. The second mural ‘Gorilla the Rainbow Serpent’ will be displayed near the senior school canteen. The Rainbow Serpent ate the children and transformed them into all the Australian animals, each with a unique purpose, but connected to the spirit of the rainbow serpent. Thank you to all the students (primary and senior), teachers and parents who volunteered their time to paint the murals. Thank you to Jan Wedmaier and Liz Reichart for turning the library into a painting studio. Other key helpers included Wayne Green, Luke Forgie and students; Jesse, Mia, Akala, Georgie.

Our indigenous dancers (Brolgas) performed at the 2013 Sports night presentations. Trevor Peckham performed ‘Welcome to Country’ and played the didgeridoo for the dancers.

Recently our indigenous program organised aboriginal stories, the playing of didgeridoos/clap-sticks and the painting on white rocks for our visiting Japanese students. Mr Rod Peckham, Teacher
YEAR 11 VISUAL ART - REDLYNCH
ARCHIBALD PRIZE

Term 3 proved to be a challenging yet rewarding experience for Year 11 Visual Art Studies. Learning the history of the Archibald Prize and exploring all aspects of drawing and painting portraits, the students were faced with visual problems of proportion and various painting techniques yet they needed to find their own style to present a portrait of someone they look up to. I am pleased to say every student was successful in finding their own unique style but, unfortunately, there can only be three prize winners.

The ‘Packing Room Prize’ selected by the Practical and Performing Arts teachers was presented to Katie. The ‘People’s Choice Awards’ voted for by the public at the Family Festival was awarded to Leticia, who is also the proud recipient of the ‘Redlynch Archibald Prize,’ selected by the administration team. Congratulations to Leticia and Katie and the Year 11 VAS class. The standard of work is outstanding. The portraits will be on display this year and early next year in the Resource Centre and the Administration Office.

Fantastic artwork by our very talented Year 11 Visual Art Students

Throughout last term, students from Years 6, 7 & 8 participated in the Wonder of Science project. It aimed to build passion and enthusiasm for science and technology in Queensland students and to unleash the potential for growth in the number and quality of future science and engineering professionals. The project culminated in a day of competition at James Cook University on the last day of Term with Redlynch competing against teams from Innisfail to the Torres Strait.

Students were presented with either a science or an engineering problem to solve:

Year 6 - Earthquakes may or may not produce a Tsunami: Investigate
Year 7 - Design a solar powered vehicle to complete a revolution of a circle in 10 seconds
Year 8 - Design a Rube Goldberg machine to pop a balloon

(The science problems required students to follow correct Scientific Method and the engineering challenges were based on the Engineering Design Process. Students could present their findings and results in any manner they chose.

The three teams from Redlynch State College acquitted themselves extremely well with the Year 6 team winning their section and the Year 7 team were runners up. An outstanding result!

Mrs Leigh Vincent, Head of Curriculum
BACK TO SCHOOL STATIONERY PACKS 2014

By now, you all should have received the Stationery Lists for your child for 2014—these were sent home last week. The lists detail the stationery that will be supplied in the packs next year and also what is not included. Once again, through working very closely with our supplier, Harleys Educational Supplies, we have been able to keep the cost of the packs to a minimum and you will receive a great discount if you purchase the packs through the P & C Association. All proceeds from the sale of the packs go directly back to the College and the students, so please support this fantastic fundraising venture once again.

The first collection run will be during the week of the 18th to 22nd of November. You can collect your pre-ordered packs from the P & C Operations Manager’s office in the Administration Building on the High School Campus. The office will be open from 8am to 3pm daily and you can pay using cash, eftpos or visa. You can also order and pay for your packs using our fantastic FlexiSchools system and the information on how to do this was listed in the newsletter that went home last week with your child.

There are a limited number of packs this year, so please ensure you get your orders in early to avoid disappointment. The next collection run will be during the week of the 20th to 24th of January next year. Orders for this collection run, must be placed prior to the 9th of December. You can order your packs through Flexischools, or you can email me at rscpandc@gmail.com, or ring me on (07)40399237—whichever is easier for you.

Don’t forget that we will once again be holding our draw which gives you the chance to win your pack for FREE!! Each year level will have a winner, so get in now and order those packs!

Thanks once again for supporting the P & C Association with our Back to School Stationery Packs. This year looks to be even busier than last year, with a huge amount of orders placed already. Make sure you don’t miss out—order now!!

HAVE YOUR SAY

Salli & John Mitchell Park
Community Consultation
Saturday 23rd November
10am – 11am

Cairns Regional Council invites you to an informal drop-in session to discuss potential upgrades of the Salli & John Mitchell Park, Jungara Road, Redlynch. Join Cr Linda Cooper and local legend James Mitchell to discuss improvements to benefit local residents.

If you can’t drop in but would like to provide feedback, visit www.cairns.qld.gov.au (Community Engagement page), call Council on 4044 3303 or email feedback@cairns.qld.gov.au before 6 Dec 2013.

Feedback can also be sent to:
Cr Cooper at l.cooper@cairns.qld.gov.au.

REDLYNCH STATE COLLEGE P & C ASSOCIATION—NEWS

NATIONAL TUCKSHOP/CANTREEN DAY

On Friday, 1st November, we celebrated National Tuckshop Day, where we acknowledged all the hard work done every day by our staff and volunteers. We are incredibly fortunate in our College to have such a wonderful group of ladies who work tirelessly each day providing healthy, nutritional and delicious food for our students.

Recently, our Canteen Assistant, Sue Fincham, who works each day in our High School Canteen, was nominated for “Queensland Sandwich Designer of the Year”! Sue was lucky enough to win the Far North Queensland Title and travelled to Brisbane to attend the State Titles and National Master Class Day. Unfortunately, Sue did not win the next stage, but we are incredibly proud of her winning the Far North Queensland Title. Sandwich sales have increased dramatically in the Canteen over the last two months as a result!!

Canteen staff Kathryn Cross, Mindy Walsh and award winning sandwich maker, Sue Fincham.

Some kids can’t go home....

Fosters Care in Cairns & surrounding districts are needed to care for children & young people who are in need of a safe & supportive home to help them on their journey.

The greatest gift to these children can be the capacity to understand the effects of trauma whilst providing the day to day care with stability & consistency.

For more information on how to become a Foster Care please phone
Janelle or Rachelle at
UnitingCare Community FNQ.
On 45 503 500 or email

Winning Senior Opti-Minds

Team Competes in Brisbane
On 25th August a challenge of wits and smarts took place at James Cook University. The Far North Queensland Opti-Minds challenge was underway, the stakes were high and the teams were brilliant. Each team put up a strong frontier with their performance/design then creatively surprised the judges with an equally powerful spontaneous challenge answer. The winner would fly to Brisbane and compete in state championships, this time against some of the greatest young minds Australia had to offer for a trip to New Zealand.

Amongst many other teams, Contagious Intelligence and The Why Not’s won their selected field and were able to travel down to Brisbane for the state championships. The fields were: Science and Engineering; Social Sciences and Language and Literature. Contagious Intelligence was a group from Redlynch State College which was chosen to represent Cairns at the state finals.

Upon arrival in Brisbane Contagious Intelligence was prepared to begin their adventure touring the universities, shopping at Queen St mall and of course performing the 3 hour challenge, spontaneous and the youth ideas forum for a better future.

The experience was incredible, each event better than the last. Opti-MINDS is an excellent competition for meeting new people, travelling and practising your dramatic skills.
