## RSC P&C Back-to-School Stationery Service

### About our Stationery Service

The P&C offers a stationery service for your convenience. We know parents like to shop around, but struggle to find time in busy lives, so we have done this process for you! We have compared prices with major suppliers, and priced our items like for like (brand and quality) so that they are the same price or cheaper than these suppliers – in some cases, substantially so.

We’ve also teamed up with a trusted Cairns family business, Harley’s Educational, which means buying your stationery through us offers not only the best value and quality, but also supports both your school and local community.
