RSC P&C Back-to-School Stationery Service

About our Stationery Service

The P&C offers a stationery service for your convenience. We know parents like to shop around, but struggle to find time in busy lives, so we have done this process for you! We have compared prices with major suppliers, and priced our items like for like (brand and quality) so that they are the same price or cheaper than these suppliers – in some cases, substantially so.

We've also teamed up with a trusted Cairns family business, Harley's Educational, which means buying your stationery through us offers not only the best value and quality, but also supports both your school and local community.

How to Order

You can place your Back-to-School stationery orders from Monday 2nd of December 2024, until mid-term 1 2025. Redlynch State College P&C Association Year 7 Stationery List – 2025

Dear Year 7 Parents and Carers,

Welcome to Redlynch State College! You and your child are about to embark on a wonderful journey at a fantastic school, and the Redlynch State College P&C look forward to assisting you along the way.

The P&C is a group of dedicated people working together to build a strong College community. Being a part of the P&C is a great way to get involved in your child's education, while making new friends along the way. We meet twice a term, in weeks 3 and 8, to discuss many things including school policy, to plan community functions such as Mother's and Father's Day stalls, assist with school functions, discuss, and implement fundraising and grant opportunities, and receive reports from the Principal and P&C Executive. We encourage you to be a part of the P&C and would love to meet you in 2025!

We also look after many of the business units around the school including the Primary Tuckshop and Secondary Canteen, Outside School Hours Care, and the P&C Shop - Stationery & Uniform Supplies. Our aim in running these units is to offer a cost effective, quality, and convenient service to all of our community.

The Stationery and Uniform Shop is located on the Primary Campus next to the Student Services building. The P&C Shop is open Monday to Thursday from 8am to 11am during each school term, with extended hours near the end of the year, and from 2 weeks prior to school resuming. The extended hours remain in place generally for 2-4 weeks after the school year starts to accommodate new students coming in during that time.

We have attached the stationery list for 2025. Cost of the pack through the P&C in 2024, including the required calculator, USB etc. is \$102.80. The stationery pack is an easy way to have your child ready for school on day one.

Purchasing uniforms and stationery is straight forward. Either stop by the P&C Shop, or email through a completed manual order form. Alternatively, you can order and pay online via Flexischools. If you do not already have a Flexischools account, please visit <http://www.flexischools.com.au/> to set one up. We also offer the option to layby your items early so that you can pay off prior to collection. (Simply email us at the below address for more details. Please note, we do not offer a financing service.)

If you have any questions or would like more information regarding the P&C, please feel free to contact us at: office@rscpandc.com.au. If you would like to become a P&C member prior to your student starting at the College, you are most welcome to do so. P&C meetings are on Tuesday evenings from 6pm at the Community Centre in week 3 and 8 of each term.

We look forward to connecting with you, in our great College Community!
