

Redlynch State College P&C Association Prep Stationery List – 2026

Dear Prep Parent / Carer,

Welcome to Redlynch State College! You and your child are about to embark on a wonderful journey at a fantastic school, and the Redlynch State College P&C look forward to assisting you along the way.

The P&C is a group of dedicated people working together to build a strong College community. Being a part of the P&C is a great way to get involved in your child's education, while making new friends along the way! We meet twice a term, in weeks 3 and 8, to discuss many things including school policy, to plan community functions such as Mother's and Father's Day stalls, assist with school functions, discuss, and implement fundraising and grant opportunities, and receive reports from the Principal and P&C Executive. We encourage you to be a part of the P&C and would love to welcome you in 2026!

We also look after many of the business units around the school including: the Tuckshop (Primary) and Canteen (Secondary), Outside School Hours Care, Stationery Shop and Uniform Shop. Our aim in running these units is to offer a cost effective, quality and convenient service to all of our community.

With this in mind, we have prepared the Stationery List for Prep 2026. The stationery items are required to be purchased and will last your child for the whole school year. With the prep group, we understand that the first day can be quite daunting and parents and carers should be free to concentrate on the most important issue on the day which is settling your child into school. To this end, we deliver all stationery items to the classroom in the days prior to the children arriving so that they arrive into a prepared environment, ready to embark on their school journey.

In organizing the lists, we look at the cost of each item and price the packs so that it is not cheaper to buy the identical items (price and brand) from elsewhere. The teachers are specific in the brands they would like so that, for example, the white board markers don't dry out if left without lids, and the paper the children are working on is not so thin that it rips etc. There are a few additional everyday items that you will need to purchase, and these are listed as 'additional items on the stationery list.

This year the cost of the pack is \$144.15 plus the compulsory RSC Library bag for \$15.00, giving a total cost of \$159.15. The list of items to be supplied is attached with the individual costs for your information. I would encourage you to buy the pack through us so that you not only save money and ensure quality, but also have one less thing to worry about coming up to the start of the school year. The prep packs are sold as a full pack.

We have uniforms available for purchase with many of the smaller sizes currently in stock. Any sizes that sell out will arrive early January ready for collection from the Monday 12th January 2026. You can order stationery and uniform items online any time via School24. The P&C shop will be open on your interview day for sizing and purchasing items.

We look forward to welcoming you to our great College and hope to see you at our P&C events and meetings!

Regards,

Compulsory Items – Sourced by Parents/Carers

These are non-stationery items that must be purchased and supplied in addition to General Stationery Items. Please bring to your student's classroom on the first day.

Compulsory and General items: • 2 x Boxes of tissues • 1 X small packet of zip lock bags • A labelled lunch box and drink bottle	Students are also required to have: • A labelled water bottle • Sunscreen for personal use
---	--

Please note

- 1) All items purchased for Prep will be delivered to your child's classroom for day one of 2026. This will allow you to spend this important morning with your child rather than sorting out stationery.
- 2) Due to limited fridge space in Prep students should have an insulated lunch box/bag.
