Dear Parents/Carers,

RE: Parent and Community Code of Conduct

Joint Letter from RSC and P&C Association

At Redlynch State College, we aim to provide an open, welcoming, inclusive and safe environment for all. Strong partnerships between parents and the College are crucial. We value parents' engagement and contribution as we all play a key role in children's education. Working together with their school community, school staff support the learning and wellbeing of every student, and are entitled to a safe work environment.

Parents are the first role models for children. The choices parents make, and the behaviours we exhibit, have a significant influence on our children. Our College has a clear expectation of student conduct. Accordingly, it is appropriate to document expectations and aspirations for our school community.

This Code does not attempt to provide a detailed and exhaustive list of what to do in every aspect of your involvement with the school. Instead, it sets out general expectations of the standards of behaviour required. The Parent Code of Conduct provides statements which serve as a reminder to all members of the school community of their obligations as a member of RSC's community. This policy applies to all adults including parents, guardians, step-parents, grandparents, extended family, advocates and any others involved in activities or communication related to RSC.

Our College and the P&C Association jointly support this and we invite you to review the enclosed *Parent and Community Code of Conduct*. Parents and community members are to consider the Code of Conduct in all interactions with teachers, administrative staff, other parents and students, both on and off the school grounds.

As parents, it is our responsibility to role model good citizenship and ethical conduct. We trust that parents, carers and visitors will fully support this Code of Conduct to ensure a positive environment for all.

Yours sincerely,

Kristy Valley
