3rd December, 2019

Dear Redlynch State College Parents,

Re: Election of New School Council Members

As an Independent Public School, the School Council plays a significant role in influencing the strategic direction of the College. Being involved in this group is an amazing opportunity to be part of a dynamic team of people focussing on school improvement and exploring innovative ideas. The School Council has formalised a vision that supports the College vision of "Learning in Our Valley, Thinking Beyond the Hills:

- To provide innovative advice and a framework to assist Redlynch State College achieve its goals of excellence.
- To advance Redlynch State College through innovation, good governance and strong values.
- To provide innovative direction and value-based principles to assist Redlynch State College deliver an educational model that is dynamic and financially sound.

Each member of the school Council has a tenure of 2 years. It is that time in the election cycle that we must call for new nominations for the parent representative positions. There are 3 parent representatives on the Council and we have two positions available for election for the start of 2020.

The School Council is currently calling for nominations from the parent body. This opportunity closes on the **18th December** and an election (if required), will take place in a special meeting just prior to the first P&C meeting for 2020 (11th February).

To be eligible for the parent representative role you must have a child attending the College. Each elected parent member holds office for a term, not longer than two years, determined by the school council prior to conducting the election for that member.

Please forward nominations to the returning Officer- Vicki Mauger vmaug1@eq.edu.au

If you require more information please contact the Chairperson, Linda Cooper (0419656995) or the Principal (4039 9222). I look forward to incoming nominations.

Yours Sincerely,

Tony Fuller
Executive Principal
Redlynch State College
