

27th June 2025

Dear Parents and Carers,

RE: QParents Invitation and Registration

For those yet to register for QParents, please be advised that today, Friday 27th June 2025, you will be sent an invitation link which will allow you to activate your QParents account.

QParents allows parents to connect instantly with their child's school to access and manage their child's student information, including:

- Viewing academic report cards
- Making payment online for school activities and viewing unpaid invoices and payment history
- Granting consent - providing participation consent online for activities such as swimming, excursions and camps

To be able to register for QParents you will need the following:

- Your unique invitation code sent via email from QParents
- An active email account
- Your student/s EQ ID number (located on any school invoice or report card)
- 100 points of ID to verify your identity (Medicare card, Driver license etc.)

Once you have received the invitation you can register for QParents. To register you will need to use a computer or laptop, or a mobile phone and use a modern internet browser such as Google Chrome and Microsoft Edge.

Simply click on these links to watch this [Video Demonstration](#) or follow the [Registration Process Guide](#)

Each parent/ caregiver will need to provide 100 points of ID in order to register for an account which can be done online. If you are unable to provide the 100 points of ID you can still register for QParents by selecting the 'not enough ID' option and then visit our office to have your identity verified.

Please check your email inbox and junk folder for your invitation link which will be emailed shortly.
