

Consent to administer medication

PLEASE NOTE:

For medication to be administered at school or during school-related activities, there must be medical authorisation for the student to have that medication, and the medication must be in its original container with intact packaging.

Examples of medical authorisation include:

- a pharmacy label with both the student's and doctor's name on it;
- a signed letter from a doctor;
- a medication order from a dentist;
- an Action Plan signed by a doctor or nurse practitioner.

See below for examples of health conditions, medications and associated documentation:

Health condition/ reason for medication	Example of medication	Documentation completed by doctor or other prescribing health practitioner
Asthma	Asthma puffer	<i>Asthma action plan</i>
Anaphylaxis	EpiPen	<i>ASCIA Anaphylaxis Action Plan</i>
Diabetes	Insulin injection, insulin pump	Department of Education <i>Medication order to administer 'as-needed' medication at school</i> or medication order or <i>diabetes management plan</i> or other written instructions from prescribing health practitioner
Other types of emergency medication e.g. for seizures	Midazolam	Department of Education <i>Medication order to administer 'as-needed' medication at school</i>
Medication required 'as needed' for minor or non-emergency symptoms	Ointment for skin allergies, antihistamines	Department of Education <i>Medication order to administer 'as-needed' medication at school</i>
Changes to dosage (e.g. from ½ to 1 tablet)	Ritalin	Written instructions from prescribing health practitioner (e.g. doctor)

1. To request that the school administer medication to a student

- 1) Complete Section A (page 2).
- 2) Provide the school with the medication in the original container with intact packaging.
- 3) Provide the written medical authorisation (e.g. completed pharmacy label, medication order, action plan) completed and signed by the prescribing health practitioner.
- 4) Make an appointment with the principal/delegate if:
 - the student requires medication as an emergency response;
 - you would like the student to self-administer their medication;
 - the student has complex health support needs or requires other support strategies; or
 - you have any concerns about the student's health which may affect their schooling.

2. To request a student self-administer their medication

- 1) Complete Section A (page 2) and Section B (page 3).

Consent to administer medication

Privacy Statement

The Department of Education (DoE) is collecting this personal information for the purpose of enabling school staff to administer medication to the nominated student, or to support a student to self-administer their medication while at school or during school-related activities. This information will only be accessed by authorised departmental employees. In accordance with section 426 of the *Education (General Provisions) Act 2006* (regarding student's personal information) and the *Information Privacy Act 2009* (parent/carer's personal information) this information will not be disclosed to any other person or body unless DoE has been given permission or is required or authorised by law to disclose the information.

Section A: Complete the details below:

NOTE: This form only collects information for one (1) medication. If more than one medication is required, please complete a separate form for each medication.

Student name		Date of birth	
Parent/carer name		Phone number	

- I consent to the following medication being administered (as per the instructions on the pharmacy label and/or any additional written instructions) to the student named above during school or school-related activities.
- I authorise school staff to contact the prescribing health practitioner or pharmacist (as listed on the medication's pharmacy label or in other relevant medical authorisation) for the purpose of seeking specific advice or clarification on the administration of this medication to this student.

Name of medication	
---------------------------	--
