HEAD OF DEPARTMENT:  Drew Dundas

SUBJECT OUTLINE:

Business Communication and Technologies (BCT) offers students opportunities to engage in and understand a range of business administrative practices through real life situations and simulations. The course is designed to provide a foundation in the study of business and to prepare students for further education, training and employment. The subject encompasses theoretical and practical aspects of business in contexts students will encounter throughout their lives. It fosters intellectual, social and moral development by encouraging students to think critically about the role and ethical responsibilities of business in society.

CONTRIBUTES TO OP:
Yes

ASSESSMENT OUTLINE

A variety of assessment techniques are used to judge student achievement in the areas Knowing and Understanding Business, Investigating business issues and evaluating business decisions. Assessment techniques will include: short and or extended responses
