Parent Checklist
Is your child ready to bring their iPad to school?

- Make sure you have discussed iPad Program Charter with your child and the expectation of the Student Participation Agreement.
- Create an Apple id and Password if you haven’t already got one. We advise you NOT to share this with your child. You can choose an existing Apple id in order to share apps or alternatively, set up Family Sharing.
- Set up an evening routine with your child for charging their iPad ready for the next day.
- Ensure that your child understands that they are NOT to share their iPad with other students.
- Ensure that your child understands that they are NOT to capture photo, video or audio unless advised to do so by the classroom teacher.
- Ensure that your child understands that if their regular teacher is away, the iPads may be expected to be locked away. Student must not negotiate otherwise with relief teachers.
- Have you purchased a protective cover for your child’s iPad and considered a tempered glass screen protector and water resistant carry bag sleeve.
- It is advised that your child carries their iPad in a different compartment to their drink bottle (in school bag).
- Remind your child that their iPad must be placed in the designated location in the classroom each morning.
- All required apps have been loaded on your child’s iPad as per the required apps list.
- Make sure you are aware of the log in details, username and password, for your child for the following:
  - School network
  - Mathletics
  - Reading Eggs/Eggspress
  *These will be provided after the start of the school year unless otherwise already known.*

If you have any problems with any of the above please see your child’s teacher in the first week of school.
