HEAD OF DEPARTMENT:  Mrs Felicity McLeod

SUBJECT OUTLINE: RSC Visual Art offers a range of diverse, challenging and rewarding programs. Our focus is on traditional art disciplines such as painting, mix media, printmaking, ceramics and assemblage, while integrating contemporary practices and technology to explore concepts and focus areas.

In Visual Art, learning experiences have been created to assist students to build thinking skills using analysis, synthesis, evaluation, and critical judgment, whilst expressing ideas creatively and imaginatively using personal expression and problem solving skills.

Year 10 Prac Art is a one year program covering a range of practical topics in visual art. It provides students with the opportunity to develop the necessary skills in a range of fine art and graphic design disciplines such as drawing, painting, dyeing, photoshop design, printmaking and ceramic sculpture, whilst learning workplace health and safety practices. Students are also introduced to a number of design careers via their participation in learning experiences putting them in the role of illustrator, graphic designer and maker and producer of hand dyed accessories.
