

2018 BYO iPad Program Expression of interest

If you would like your child to be considered for a BYO iPad class in 2018, register your expression of interest by submitting the **Student Participation Agreement** to the office by **Friday 3rd November**. Please ensure you have read and understand the **Charter and Agreement** prior to submitting your expression of interest.

Parents will be notified in the last week of school if their child has been allocated to a BYO iPad class for 2018.

Please note: submitting an expression of interest does not guarantee your child a placement in a BYO iPad class in 2018.

What are the benefits for your child?

- Creates opportunities for authentic, active learning experiences that connect the curriculum with real life experiences;
- Enables personalisation of student learning;
- Best facilitates the development of knowledge and skills necessary for the 21st century workforce, including digital-age literacy, innovation and creativity, effective communication and higher order thinking, and collaboration;
- Allows learning to happen anywhere, anytime;
- Provides an engaging, interactive and flexible environment for learning;
- Strengthens links between home and school;
- Allows students the opportunity to display prior knowledge of topics and thus be co-constructive in their own learning journey.
