

# Redlynch State College Science Fair (Thursday August 17<sup>th</sup>)

All children in grades 3, 4, 5 and grade 6 are invited to take part in our very first Science Fair.

How to enter?

**1. Safety.** Fill out the 'Science Fair Application' below by listing all materials you will need to make your science experiment and drop it into the office (final submissions date is Friday, August 11<sup>th</sup>) we must check all items are safe first. Submissions with hazardous materials will be contacted via phone. You may change your experiment or materials to make your science experiment safe.

**2. Build your experiment.** Do try your experiment at home before bring it on the completion day Thursday, August 17<sup>th</sup>. Practice makes perfect.

**3. Submit your experiment.** Clearly label your experiment with your name. On Thursday, August 17<sup>th</sup>, bring your experiment to the undercover area near the tuckshop.

**Think supermarket science.** About 90% of items in supermarkets are safe and non-toxic. Things which would be considered a safety risk would be: Borax, chlorines, fertilizers, flammable products, sharp items and living creatures. Items bought from Bunnings or hardware stores would also need to be screened

If you are unsure please ask Mr. Spiegelhauer ([sspie9@eq.edu.au](mailto:sspie9@eq.edu.au))

## Science Fair Application – Hand in to Office (Due Friday 11<sup>th</sup> Aug)

STUDENT NAME \_\_\_\_\_ CLASS \_\_\_\_\_

PARENT CONTACT NAME AND NUMBER \_\_\_\_\_

EXPERIMENT NAME \_\_\_\_\_

Please write a list of **all** materials you will use in the experiment.
