Instrumental Music Program Student Resource Scheme 2024

Dear Parents/Guardians,

This letter includes important information about the fees and inclusions for the SRS. If you have previously opted in to the SRS your participation is assumed for the remainder of your child's enrolment, unless you inform the school otherwise by completing a new participation agreement form. If you are a new parent to the school, this information will assist you in making a decision as to whether you wish to participate in the SRS.

What is provided Queensland Government?

The Queensland Government supports children's education by providing funding for instruction (teachers), facilities (school grounds and buildings, internet), and administration (staff to run the school). Funding for schools does not extend to individual student resources such as textbooks, equipment for personal use, and many items used by the student in the classroom.

The SRS helps parents to source these resources. The school can purchase resources at lower rates due to its bulk buying power. Resources such as textbooks or musical instruments that will be used over a period of time are hired to students to further reduce costs for families. Participating in the SRS also offers a convenient way for parents to source the items that their child needs for school, and ensures that all students have access to the same standard of resources.

The types of resources that will be included are:

- **Owned by the student** – e.g. student diary – once provided, these items are retained by the student and used at their discretion.
- **Hired to the student** for a specific duration of time – e.g. textbooks or musical instruments – these items will need to be returned to the school in reasonable condition at the end of the hire period or if the student leaves the school.
- **Used in class** – e.g. stationery, timber, material, workbooks – these items will be used in class. Finished products that are created from these resources will generally come home with the student.

The Fee

The Instrumental Program aims to provide tuition on a wide range of musical instruments for the purpose of enjoyment, expression and self-development. The program aims to create and enhance opportunities for positive achievement and promote excellence in performance. Students will learn to perform at a high standard in public and learn to accept responsibility for the reputation of Redlynch State College and the Instrumental Music Program. The fee for students participating in program is the same amount for years 3 - 12. Hire fee covers the loan and use of the instrument in accordance with the EQ11 form that the student is required to sign and return prior to receipt of the Musical Instrument.

If you choose not to participate, you will be provided with a detailed list of resources that you will need to provide for the student.
